6 EXHIBITION RULES & REGULATIONS

6.1 BOOTH DESIGNS

- i. All booths **MUST BE** carpeted. Do not use any shade of red colour carpet. This is because all walkway carpet will be red in colour.
- ii. All ticketing agent exhibitors must designate queuing area for customers without disturbing and blocking the passageway, and neighbouring booths. For example, to build queuing system using queue rope. (See Appendix A - Diagram 7, page 25 for more details).
- iii. Helium balloons are **NOT ALLOWED** in any hall in WTC. Any request will not be entertained.
- iv. All tables or counters must be set inwards 0.5 metres from the booth border line.
- v. If an Exhibitor intends to construct a wall along the perimeter of their booths facing walkway, the wall must only be **1/3 the length of either the width or length of the booth perimeter** and in accordance to individual hall booth height restriction and must be set inwards 1.0 metres from the booth border line.
- vi. **The standard height of perimeter walls must not exceed hall's booth restriction from the floor level (See "Appendix A - Diagram 4", page 22 for more details).**
- vii. Walls must be back-clad, lighted & decorated on both sides to present a clean appearance from gangways and adjoining stands. Exhibitors must ensure that a plain solid wall will not be seen from the aisle.
- viii. For "Space-Only" booths, a drawing in duplicate showing the plan view (with measurements in metres and centimetres) and an artist's impression must be submitted to the Organiser prior to commencement of work.
- ix. For "Space-Only" booths the Organiser reserves the right to require the Exhibitor to change, modify, lower or shorten any back and / or side walls proposed in the drawings if, in the opinion of the Organiser, such walls will obstruct the reasonable exposure of any adjacent exhibition booths.
- x. All booths must be constructed with back and side walls, except for island booths which do not require any walls.
- xi. In the case of a one-corner booth, a back wall and one side wall must be constructed, while a two-cornered or perimeter booth requires only a back wall.
- xii. Where a structure such as a wall or a sign exceeds the height of the neighbouring booth, the Exhibitor with the higher wall must decorate the visible portion to a standard acceptable to the Organiser.
- xiii. Booth drawings and lighting plans must be submitted to the Organiser **no later than 5:00 pm on Monday, 30 March 2020**, failing which the Organiser is entitled to terminate the contract strictly without liability and retain all payments made by the Exhibitor. Original drawings (hard or soft copy) and not facsimile transmitted copies are required. No booths may be constructed until these plans / drawings have been duly approved by Organiser.
- xiv. Non-submission of these drawings within the stipulated period is considered a breach of the Rules & Regulations of the MATTA FAIR®.
- xv. Contractors and exhibitors have to be aware of the air conduct parameter to be included in their booth design. Maximum height without blocking is 3.0 metres.

6.2 BOOTH FITTINGS

6.2.1 CONTRACTORS

- i. The Organiser has appointed an Official Contractor for all the construction of all shell scheme booths. However, an Exhibitor may employ a contractor of his choice to construct booth interiors and any free-standing displays or fittings which may be required provided that the said contractor concerned is registered with and approved by the Venue and has conformed to all the rules and regulations of the MATTA FAIR®.
- ii. For safety reasons, only the Official Contractor can carry out any and all electrical wiring and connections.
- iii. Exhibitors **must** refer to the Official Contractor to obtain approval if changes need to be made to the standard wiring laid out by the Official Contractor. The Organiser reserves the right to stop all activities of an Exhibitor should it deem that electrical rules and regulations have been breached.
- iv. All contractors are expected to clean the booths and remove all construction debris before hall closing time on build-up day.
- v. Before a contractor is permitted to start work, either the contractor or the Exhibitor is required to place a refundable Performance Bond of RM3,000.00 for booth space less than 36sq. Metre and RM5,000.00 for booth space more than 36sq. Metre with the Organiser and sign an undertaking to guarantee conduct, proper schedule of production and observance of the MATTA FAIR® and Venue rules and regulations. Only when this Performance Bond is placed and the undertaking signed, would the contractor be allowed to bring in materials into the halls to commence work.

- vi. Provided no damage is caused during build-up, fair days and teardown, the Performance Bond shall be returned to the contractor / Exhibitor, in full within 60 days of the completion of the MATTFAIR®.
- vii. Any other contractor is required to pay a non-refundable administration fee of RM 10.00 per sq. Metre (a minimum levy of RM 100.00 applies) to the Official Contractor.
- viii. A **maximum purchase** of six (6) Contractor Badges at RM10.00 per badge, that are valid during the build-up and teardown periods only, will be issued for every 9.0 sq. metres of construction up to a maximum purchase of fifty (50) badges per Exhibitor. **Contractor Badges can be replaced at a cost of RM20.00 per badge. Contractor Badges are valid only for build-up and teardown days and not during the 3 days of the MATTFAIR®.**
- x. **Remarks : The Organiser reserved the right to charge the exhibitor for late check out / finish work after 11pm, on Thursday 30 April 2020. Charges will be advised later.**
- xi. **Any contractor who wish to move in early, must advise the Organiser before 24 April 2020 and will be charged accordingly. Charges will be advised later. Move in early is only applicable to exhibitors with 10 booths and above.**
- ix. **Please note that The Organiser will not release the contractor badges should we not receive the payment for Performance bond.**

6.2.2 BOOTH FITTINGS & DISPLAYS

- i. For shell scheme booths, no additional booth-fittings or displays may be attached to the shell scheme structure except for those approved by the Organiser. Any protruding or cantilever signage must conform to the specifications approved by the Organiser (See "Appendix A - Diagram 1", page 19 for more details).

8 SAFETY & SECURITY MEASURES

8.1 PRACTICAL SAFETY & SECURITY RECOMMENDATIONS

As safety and security is everyone's responsibility, Exhibitors are requested to commit to collaborating with the Organiser in observing the following guidelines:

- i. Your safety and security, that of the persons that depend on you, and that of the visitors is our foremost consideration. Accordingly, please bear in mind the following **practical safety and security recommendations** and locate the emergency exits, alarms and fire-fighting equipment that are nearest to your booth(s).
- ii. Do not forget that the Venue, like any other public place, there is the risk of theft.
- iii. Before concluding the decoration of your booth(s), check that the locks on your storerooms, cabinets and showcases are tightly secured.

- iv. Remember that the periods with maximum security risk for your belongings are the days of exhibition goods' entry and removal and the clearance time at the end of each Fair day.
- v. Before leaving your booth(s):
 - a. Make sure that you have unplugged / disconnected all the booth's electrical appliances and devices.
 - b. Turn off all booth lights.
 - c. Place objects that you consider to be of greatest value or the easiest to be stolen due to their size or interest (like portable computers, small LCD displays, jewellery, photographic or video cameras, etc.), under suitable lock and key throughout the whole three (3) days.
- vi. During the Exhibition:
 - a. Assign each of your fellow Exhibitors a specific observation point at your booths (especially those with many booths).
 - b. Do not lose sight of your valuable exhibition objects and property.
 - c. Avoid being surrounded by groups of two or three persons that might attempt to distract you whilst others 'remove' your belongings.
 - d. Do not leave any personal items (bags, briefcases, clothing, mobile phones, etc.) on desks, counters, chairs, etc. It is advisable to leave these objects inside your booth storerooms or office section.
 - e. Keep your storeroom doors shut at all times.
 - f. Beware of couples that separate upon entering your booth, with one person addressing you while the other moves around.
 - g. Take special precaution at meal times and do not leave your booth(s) unattended.
 - h. Attempt to memorise and retain the personal characteristics (age, height, hair colour, colour and type of clothing, accent, etc.) of any person that raises your suspicion.
- vii. If you are the victim of an offence, let the Organiser know immediately so we can assist you accordingly. **Subsequently, report the incident to the Venue security and the National Police (IPD Dang Wangi at (+603) 2600 0222).**
- viii. **While we take available measures to protect your exhibition goods, please remember that you are fully accountable for the safety and security of your booth(s), goods and all other belongings.**

8.2 FLOODING

In the event of flooding, do not panic, and follow the guidelines below:

- i. Alert the Organiser immediately.
- ii. Exhibitors in the affected areas must cooperate to redirect visitors to the nearest exit in an orderly manner.
- iii. Exhibitors are to follow the instructions of and cooperate with the Organiser, Venue or security personnel at all times.

8.3 FIRE

In the event of a fire, do not panic, and follow the guidelines below:

- i. Locate the nearest fire extinguisher and try to put out the fire. Alert the Organiser immediately.
- ii. If the fire is 'out of control' and an evacuation is necessary, alert the Organiser and proceed in an orderly manner to the nearest emergency exit away from the fire.
- iii. In case of a fire, you can contact **Balai Bomba & Penyelamat Sentul, Jalan Tun Ismail** at +603-4044 1994 or **Operation Room** PGO, KL at +603-2274 1216.
- iv. Exhibitors are to follow the instructions and cooperate with the Organiser, Venue or security personnel at all times.
- v. Upon arrival of the Official Fire Response Team, they will supersede all prior instructions.

9 CLEANLINESS

- i. The Organiser is committed to keeping the Exhibition areas clean by employing cleaners to remove any rubbish such as brochures and leaflets or unwanted materials left behind by the visitors in the **common areas**.
- ii. Exhibitors are responsible for any rubbish within the confines of their booths. The cleaners are **not** permitted to enter any Exhibitor's booth area for security and safety reasons. As such, please place any unwanted materials or rubbish in the walkway for the cleaners to remove **at the end of the day or early in the morning**.
- iii. It is understood that it is the Exhibitors' obligation that booths should be kept clean at all times to project a good image of your company to visitors and fellow Exhibitors.
- iv. The Organiser reserves the right to charge Exhibitor a cleaning fee for those who failed to remove graphic/poster/foamboard and anything else from their shell scheme or decorations in Open Space area.

10 HALL DUTY OFFICERS

Please note that personnel appointed by the Organiser as well as security, marshals and staff will be stationed in each Hall and Linkway to provide assistance. Please take the effort to know them for ease of contact and in the event of an emergency.

- iv. All Exhibitors are to ensure that their staff and freelance staff are properly briefed on their products and not to give promises / services that cannot be kept or delivered.
- v. Exhibitors without a valid Outbound Licence shall not sell Outbound tour packages.
- vi. All Exhibitors must provide consumers a printed document which clearly states their cancellation policy, schedule of refund and any other terms and conditions with regards to purchase of their products. This document has to be explained clearly for every client who purchases their products and the client has to agree with such terms. The consumer reserves the right to cancel any altered or revised tour packages. Full refund must be returned to the consumer by the Exhibitor in the event such a situation arises.
- vii. Exhibitors must issue Tour Forms which state, amongst the particulars of the consumer, very clearly the minimum dates for the tour to be confirmed.
- viii. An official receipt must be issued.
- ix. A tour package may be cancelled due to unavoidable circumstances that are beyond the control of the Travel Agent such as force majeure, strikes, safety hazards, political unrest and government control. In such cases, an administrative charge may be imposed.
- x. All Exhibitors must be professional in their dealings with the consumer.
- xi. It is mandatory that all Exhibitors (Travel Agents and Tour Operators) offer a Basic Tour Insurance Protection Plan to their customers. In the event that the consumer does not require the basic Insurance coverage, Exhibitors / members must obtain a signed waiver from the consumer and refund the Insurance premium to the consumer.
- xii. All Exhibitors are responsible to advise the consumers about their Travel Documents (e.g. passports) and Visa requirements and health regulations at the time of booking.
- xiii. Should there be any cases / issues of complaints from consumer towards Exhibitors after MATTA Fair in regards of sales / service arrangements, Exhibitor should settle the issues with the consumer directly.

13 DISCIPLINARY ACTIONS

- i. MATTA will call the Exhibitor for clarification and for the Exhibitor to explain his side of the story in response to any complaints made against him.
- ii. All Exhibitors are encouraged to reach an amicable and satisfactory solution with consumers on complaints received.
- iii. All Exhibitors are encouraged to avoid any legal actions by consumers.
